50 Pumpkin Crafts & Fall Activities

Cut • Colour • Glue + Interactive Classroom Games

PreK - 2nd • Low prep • Ink-friendly • Works offline

© 2026 Pumpkin Patch Pals

Welcome to the Pumpkin Patch!

Thank you for downloading! This bundle gives you a whole fall season of low-prep, hands-on learning: 50 printable cut, colour and glue resources plus an interactive app your class can play on the board, tablets or Chromebooks.

What's in the folder

- 00-START-HERE.pdf: this guide (contents, standards and terms of use).
- Printables folder: 50 PDFs. Every PDF has a colour teacher page with directions and a finished example, black-and-white student pages, and a terms of use page.
- Classroom-App folder: the Pumpkin Patch Pals interactive games (13 activities).

Printing tips

- Student pages are black and white to save ink. Print the teacher page in colour, or skip it.
- Print pumpkin templates on orange paper for a no-colour option. Cardstock is best for the masks, headbands, wheel and fold-a-die.
- Choose 'Fit' or 'Actual size' in your print settings. Pages are US Letter with safe margins, so they also print well on A4.
- Many pieces pages print 2 sets per page. Cut the page in half and give each half to a student.

Using the interactive app

- Unzip the download. Open the Classroom-App folder and double-click index.html. It opens in Chrome, Edge, Safari or Firefox. No internet or log-in is needed.
- Project it on your interactive whiteboard or use it in a centre. Tap the speaker button to hear directions read aloud, which helps pre-readers.
- Turn sound effects and read-aloud on or off with the bell and speech buttons. Press the full-screen button for whiteboard use.
- 'Decorate a Pumpkin' pairs with the printable crafts. 'Roll a Jack-o'-Lantern' matches printable #9.

Ideas for the season

- Week 1 Pumpkin science: #23-25 life cycle and parts, plus the app's Life Cycle game.
- Week 2 Pumpkin math: #28-30 and #35-41 as centres, plus the app's math games.
- Week 3 Literacy: #31-34 and #42-44, plus the app's letters, sounds, rhymes and spelling games.
- Fall party: character crafts #10-22, masks #50, banner #47 and headbands #46.

Build a Jack-o'-Lantern

#01 • PreK - 2 • Teacher Directions

Skills

- Fine-motor cutting and gluing
- Following multi-step directions
- Creative expression and spatial reasoning

You will need

- Crayons or markers
- Scissors
- Glue stick

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Colour the pumpkin template and all of the pieces. Or skip the colouring: print the pumpkin on orange paper.
2. Cut out the pumpkin and each piece along the thick black lines.
3. Lay the pieces on the pumpkin to plan the face before gluing. There is no wrong answer!
4. Glue the pieces in place. Pieces may hang over the edge of the pumpkin.
5. Complete the draw-and-write page, then glue the craft on top of it for a hallway display.

Teacher tip

For a quick no-colour version, print the template on orange paper and use the black pieces page.

Real Pumpkin Face Kit

#08 • PreK - 3 • Teacher Directions

Skills

- Fine-motor cutting
- Estimating size and scale
- No-carve pumpkin decorating

You will need

- Real pumpkins, mini pumpkins or gourds
- Scissors
- Glue dots, double-sided tape or tacky glue

Prep

Print on black cardstock or regular paper (the pieces are already black). Small fits mini pumpkins, Medium fits a pie pumpkin and Large fits a carving pumpkin.

Finished example

Directions

1. Choose the page that matches the size of your pumpkin.
2. Cut out a set of eyes, a nose and a mouth.
3. Plan the face on the pumpkin before sticking anything down.
4. Attach with glue dots or tape. No knives needed, so it's safe for little hands!

Teacher tip

A no-carve pumpkin patch makes a great class party station or family take-home kit.

Roll a Jack-o'-Lantern

#09 • K - 2 • Teacher Directions

Skills

- Subitizing dice patterns 1-6
- Turn-taking and game play
- Drawing and fine-motor skills

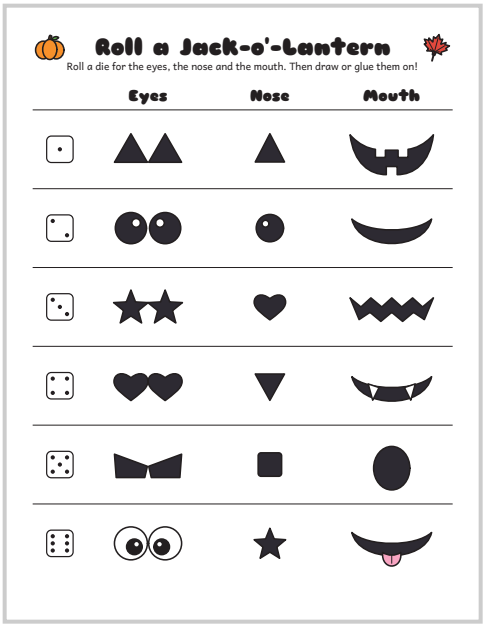

You will need

- A die (or the web app's dice!)
- Crayons
- Scissors and glue (for the glue version)

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Model one turn: roll for the eyes, find the dots on the chart, then draw the matching eyes.
2. Roll again for the nose and again for the mouth.
3. Roll & Draw: draw the face on one of the four pumpkins. Play again!
4. Roll & Glue: cut out the pieces you rolled and glue them onto the big pumpkin.
5. Compare: did anyone roll the same face?

Teacher tip

Project the roll chart on the board and roll as a whole class for a 5-minute brain break.

Line up seeds under each picture. How many seeds long is it?

The candy corn is 3 seeds long.

The acorn is 2 seeds long.

The leaf is 4 seeds long.

The corn is 5 seeds long.

The broom is 7 seeds long.

Directions

1. Model measuring: start at the line and place the seeds end to end, with no gaps or overlaps.
2. Students cut out the paper seeds (or use real dried pumpkin seeds).
3. Measure each picture and glue the seeds in place.
4. Count the seeds and write the number in the box.
5. Ask: 'Which picture is the longest? The shortest?'

Teacher tip

Real dried pumpkin seeds work well too. Just skip the glue and record the numbers.

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Model one problem: count the first group, then count on with the second group.
2. Students cut out the answer pumpkins.
3. Solve each problem and glue the answer pumpkin in the box.
4. Read each number sentence aloud: 'Two plus three equals five.'

Teacher tip

Use orange counters on the pumpkins for students who need a hands-on model.

If I Were a Pumpkin Writing Craft

#42 • K - 2 • Teacher Directions

Skills

- Narrative / imaginative writing
- Using a sentence starter
- Drawing to plan writing

You will need

- Crayons or markers
- Scissors
- Glue stick

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Brainstorm together: if you were a pumpkin, where would you live? What would you see?
2. Students draw a face on the pumpkin topper, then colour it and cut it out.
3. Write on the primary-lined page (K-1) or the lined page (2nd grade).
4. Glue the topper to the top of the writing page so the pumpkin peeks over it.

Teacher tip

These make an adorable bulletin board: 'Our Writing Is Growing in the Pumpkin Patch!'

How to Carve a Pumpkin

Glue the pictures in order. Write about each step.

First — Pick a pumpkin.

Next — Scoop out the seeds.

Then — Draw a face.

Last — Light it up!

Directions

1. Talk about carving a pumpkin at home. Only grown-ups use the knife!
2. Students cut out the four picture cards.
3. Put them in order, then glue each one under First, Next, Then and Last.
4. Write a sentence about each step.

Teacher tip

Carve or decorate a class pumpkin first, and take photos of each step as an anchor chart.

Skills

- Emergent reading: colour words and sight words 'I', 'see', 'a'
- One-to-one pointing while reading
- Following colour directions

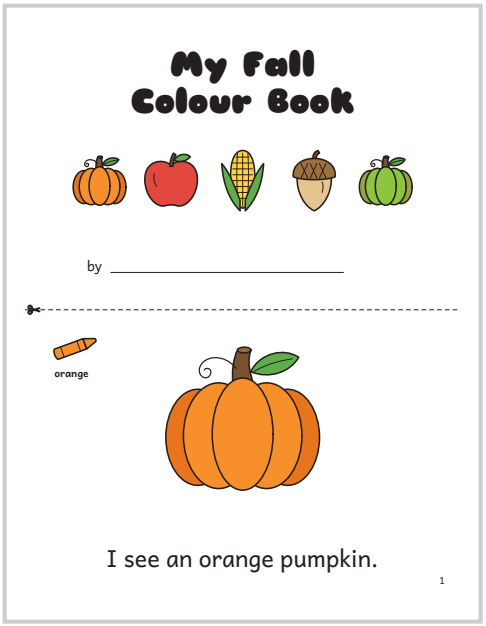

You will need

- Crayons
- Scissors
- Stapler

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Print, cut each page in half on the dashed line and stack the pages in order.
2. Staple on the left side to make a 10-page mini book.
3. Students colour each picture using the colour word (look at the crayon for help).
4. Read the book with a pointer finger under each word, then read it to a buddy.

Teacher tip

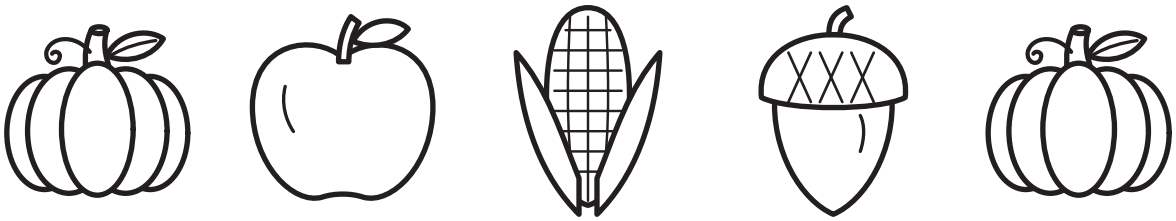

Colour the little crayon on each page first. Then students can check the word by the colour.

3D Paper Strip Pumpkin

#48 • K - 3 • Teacher Directions

Skills

- Fine-motor cutting (long straight lines)
- 3D shapes: making a sphere
- Following steps in order

You will need

- Orange paper or crayons
- Scissors
- Hole punch
- 2 brads or a stapler

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Print on orange paper (or colour the strips orange). Each student needs 8 strips.
2. Cut out the strips and hole-punch (or poke with a pencil) the dots at both ends.
3. Stack the strips and push a brad through the dots at one end.
4. Bend the stack around and push the other ends onto the same brad, or staple them.
5. Spread the strips out into a ball and glue the stem, leaves and curly vine on top.

Teacher tip

Stapling works if you don't have brads. Staple all the top ends together, then all the bottom ends.

Fall Friends Masks

#50 • PreK - 3 • Teacher Directions

Skills

- Dramatic play and oral language
- Fine-motor cutting (inside cuts)
- Fall and Halloween celebration

You will need

- Cardstock
- Crayons or markers
- Scissors
- Hole punch and yarn, or craft sticks

Prep

Print the student pages on white paper or cardstock. Print pumpkin templates on orange paper for a no-colour option.

Finished example

Directions

1. Print on cardstock. Students choose a mask and colour it.
2. Cut out the mask. An adult cuts out the eye holes (fold the paper gently to start the cut).
3. Punch the small side holes and tie on yarn, or tape a craft stick to one side.
4. Wear the masks for a fall parade, a play or a costume-free Halloween party!

Teacher tip

Masks with a craft stick are easier to take on and off and are a good fit for schools with costume rules.
